

Jingle and Mingle Party With Horses, Mini Horses, Mini Donkeys, Pigs, Goats Saturday November 28, 2015 Starting at 10:00 A.M.

Come party with us here at Oak Meadows Ranch Horse Rescue & Sanctuary on Saturday November 28 starting at 10:00 AM. If you've never been here this is a great day to visit. Bring the family. You may want to bring some folding chairs and a pop up if you'd like for an all day of fun. There is entertainment for all ages such as our Gymkhana Horse Games in our Ganahl Riding Arena. If you'd like to participate in the Gymkhana using your own horse let us let us know in advance so we can provide you with information. Children love seeing our mini area that includes mini horses, mini donkeys, goats and pigs. Food and drinks will also be available. Lunch is catered by Bringing It Back BBQ. They have the best smoked Tri Tip and Pulled Pork sandwiches in town. Lunch is \$5.00 per person. We will also have a raffle which includes Dinner at Texas Roadhouse, Dinner at Chiles, Breakfast at the Breakfast Club and more. Profits from this event will go towards the feed and care of the rescued horses and also helps us be able to provide free equine therapy for our Veterans using our rescued horses. Receiving donations we not only help rescue and feed horses and other animals we also use the rescued horses for equine therapy to children and adults with disabilities, handicap and Veterans suffering from PTSD. Our feed runs approximately \$7,500 per month and a minimum of \$18,000 per month to operate the ranch. We appreciate all donations, without donations this ranch would not be possible. At this event we will also be honoring our volunteers we couldn't operate this ranch without their help and they not only volunteer they give love, attention and exercise our rescued horses that most would be dead today if we didn't rescue them. Please come and support us, have fun and party with us and help us raise funds so we can feed the horses. We would love to be able to raise enough funds to purchase at a discounted price a truck load of hay to last us through the winter.
